Parents and Dancers:

Another year is quickly approaching! I am very excited to get back to dance classes this fall! I have enclosed your registration form for the upcoming year. Please fill out your registration form completely and return it as soon as possible. The registration deadline is August 15th. I have a few reminders for all students new and old. First, there is a dress code for the studio. The dress code is pink tights, black leotards, pink ballet shoes, and black tap shoes for all dancers in ballet and tap combination classes. Dance skirts, dance shorts, stretch dance capri pants, and leggings are also acceptable. Full length pants are not acceptable. **HAIR MUST BE PULLED UP IN A PONYTAIL OR A BUN FOR CLASSES.** All other classes can wear tight fitting black tank tops with form fitting shorts or capri pants instead of a leotard if they choose to. Tan tights are acceptable for these age groups as well. Please look at the schedule to determine what type of shoes your dancer will need for their classes. Arco students will not need shoes for class, but must wear form fitting clothing, things like t-shirts will not be allowed, due to the fact it makes it difficult for instructors to spot skills. Over the years the dress code has been followed fairly well, but some of the upper elementary students have ventured away from the dress code. I do not like to comment to the students about the dress code because it makes them uncomfortable, so please make sure they are in the proper attire before they leave home. I would greatly appreciate it. If you are having trouble finding clothes to fit, please look online. There are a number of great dance suppliers to choose from, or ask me and I can place an order. I also have a small amount of new and used clothing. Also, please be sure to send a water bottle with your dancer each night to class!

If you have any old dance shoes or dance clothing you wish to try and sell, please clearly label your used shoes or clothing with your name and the price you wish to receive for them. Place them in a bag and drop them off at 930 9th Avenue Granite Falls (this is my home address). There will be an open house at the studio, please check the home page for dates and times. I will have all of the used shoes and clothing available for sale at this time. I will also be taking orders for new items you may need. If you are in need of any dance items please come to the open house. I would prefer to place one large order this fall instead of several small orders.

The studio follows the same schedule as the Yellow Medicine East School District. If YME students do not have school whether it be a day off or school closing due to weather we will not have dance. If evening activities at YME are cancelled due to weather we will not have classes either. You can find a school calendar on the YME School website. If there is a scheduled early out for faculty and staff at YME, we will have class.

Tuition is due the first class of every month and is the same every month regardless of how many classes your child has that month. The monthly fee is based on a yearly tuition rate. Late charges will be applied to all outstanding balances at the time of the next billing. Please make sure you keep up to date on your payments. All balances must be paid in full in order for students to receive costumes, participate in pictures, and participate in the spring recital.

A registration form must be filled out for EACH student. Please make sure that all highlighted areas on the registration form have been signed and dated. Your registration form will not be considered complete until all areas have been signed and dated! Also, remember to include your \$10.00 registration fee per dancer when mailing your registration forms!

Thank you for your time! Classes begin the 3rd Monday in September!

Sincerely,

Christina Nerdahl
